Technical Recruiter at techruiter. / Get techruitment in the Dictionary!  
London, England, United Kingdom

## Summary

I am a Technical Recruiter at techruiter.

techruiter. exists to build the best tech recruitment company on planet earth; with the best recruiters, best delivery and best experience imaginable!

With a laser-focused approach on engineering and product hiring, I am dedicated to building high-performing teams for cutting-edge companies, shaping the future of technology.

Outside my recruiting life, I'm a health & fitness enthusiast, playing in weekly football leagues & coaching U12s football.

We are techruiter.

We are your answer to building teams that have the power to transform your company.

We build superb Engineering, Product, and Science teams. We've delivered growth programs to some of the most impactful tech companies across Europe, who delight millions of users across the globe.

We're led by experienced internal recruiters. We're results-oriented. We don't waste time. We care about our candidates and their experience with you.

We are techruiter.

### 360 Football Academy

#### Football Coach

June 2022 - Present (1 year 3 months)

High Wycombe

- Coaching group of 12 football players aged 9-12, providing opportunities and pathways for young people with the aim of creating semi-pro and professional footballers.
- Planning and applying tailored training sessions, to develop individual football skills and talents.
- Mentoring each individual socially and psychologically.
- Coaching tactics and techniques to improve both individual and team performances.
- Organising fixtures and managing team performances against other teams and academies.

### Ealing Hair & Beauty

#### Assistant Store Manager

August 2017 - May 2023 (5 years 10 months)

West Ealing

- Performing multiple duties within a working day including stock replenishment, managing deliveries, organising products, serving customers, cash handling and taking orders.
- Managing the store including day to day running, in absence of business owner.

### Tesco

#### Store Assistant

October 2022 - January 2023 (4 months)

Loudwater, High Wycombe

- Performed and adapted to multiple different duties each working day with a flexible approach, including stock replenishment, managing deliveries,

organising products, serving customers, waste management and price reductions.

- Worked closely with multiple managers in a fast paced, ever-changing environment due to the increased demand during Christmas and New Years, providing them assistance and ensuring duties were fulfilled around the store wherever needed.
